Getting Started	Each 60ml of product typically lasts patients one month (15ml bottles help patients track weekly usage). Noticeable results are usually seen after 2-3 months. Suggested initial Rx is 120ml or 180ml, a 2 or 3 months supply. You will place orders through Denton Prescription Shop (a subsidiary of Carie Boyd) to prescribe Formula 82 to your patients. Orders can be placed by phone, fax, or Escribe software. To get started, visit hairscience.com/signup . If you have questions, contact Tom Mastanduono at (516) 510-7333.
